No. 1, August 21, 1963, sec. 46.)

Section 33–47. Transfer of funds.

Any contract, verbal or written, made in violation of this Charter shall be null and void. Nothing in this section contained, however, shall prevent the making of contracts or the spending of money for capital improvements to be financed in whole or in part by the issuance of bonds, nor the making of contracts of lease or for services for a period exceeding the budget year in which such contract is made, when such contract is permitted by law. (Ch. Res. No. 1, August 21, 1963, sec. 48.)

Section 33–49. Appropriations lapse.

Provided, however, that household furniture and effects held for household use of the owners or members of his family, and not held or employed for the purposes of profit or in connection with any business, profession, or occupation shall not be subject to taxation for municipal purposes. No authority is given by this section to impose taxes on any property which is exempt from taxation by any Act of the General Assembly. (Ch. Res. No. 1, August 21, 1963, sec. 51.)

He shall make out and mail or deliver in person to each taxpayer or his agent at his last known address a bill or account of the taxes due from him. This bill or account shall contain a statement of the amount of real and personal property with which the taxpayer is assessed, the rate of taxation, the amount of taxes due, and the date on which the taxes will bear interest. Failure to give or receive any notice required by this section shall not relieve any taxpayer of the responsibility to pay on the dates established by this Charter all taxes levied on his property. (Ch. Res. No. 1, August 21, 1963, sec. 53.)

Section 33–54. When taxes are overdue.

Such tax anticipation notes or other evidences of indebtedness shall be a first lien upon the proceeds of such tax and shall mature and be paid not later than six months after the beginning of the fiscal year in which they are issued. No tax anticipation notes or other evidences of indebtedness shall be issued which will cause the total tax anticipation indebtedness of the Town to exceed fifty per centum (50%) of the property tax levy for the fiscal year in which such notes or other evidences of indebtedness are issued. All tax anticipation notes or other evidences of indebtedness shall be authorized by resolution before being issued. The Council shall have the power to regulate all matters concerning the issuance and sale of tax anticipation notes. (Ch. Res. No. 1, August 21, 1963, sec. 58.)

Section 33–59. Borrowing power.

The Town shall have the power to borrow money for any proper public purpose and to evidence such borrowing by the issue and sale of its general obligation bonds, notes, or other certificates of indebtedness in the manner prescribed in Sections 31 to 37, both inclusive, of Article 23A of the Annotated Code of the Public General Laws of Maryland (1957 edition, as amended,) title “Municipal Corporations,” subtitle “Creation of Municipal Public Debt” with the following exceptions:

- (1) No bonds may be issued for longer than a twenty year period.

(2) The requirement for competitive bidding contained in Section 34(4) of Article 23A shall not apply to the Town of Forest Heights, but the Council shall have the option, in each instance, to determine whether such bonds, notes, or other evidences of indebtedness shall be sold at public sale as prescribed by Section 34(4) or shall be sold by negotiation at private sale without solicitation or competitive bids.

Provided, however, that the total amount of such bonds, notes, or other certificates of indebtedness outstanding at any one time shall not exceed ten per centum (10%) of the assessed valuation of all real and personal property in the Town as appears on the assessment records of Prince George's County, and that the interest rate on such bonds, notes, or other certificates of indebtedness shall be obtained at the lowest possible rate. (Ch. Res. No. 1, August 21, 1963, sec. 59; Res., October 9, 1969.)

Section 33–60. Referendum on storm drainage improvements.

In any one year the Town shall not issue bonds or other obligations of indebtedness for storm water or surface drainage improvements in an amount in excess of one-half of one per centum (0.5%) of the assessed valuation of the Town unless submitted to a referendum of the qualified voters of the Town and approved by a majority of those persons voting on the question. The referendum may be held at a regular municipal election or at a special election called for that purpose. If the majority of the qualified voters voting on the question vote in favor of the bond issue, then the bonds may be issued. If the majority of the qualified voters voting on the question vote against the bond issue, the Mayor and Council shall abandon the same, and no similar proposition shall again be submitted to referendum until at least one year shall have elapsed from the date of election at which said proposition was disapproved. (Ch. Res. No. 1, August 21, 1963, sec. 60.)

Section 33–61. Payment of indebtedness.

The power and obligation of the Town to pay any and all bonds, notes, or other evidences of indebtedness issued by it under the authority of this Charter shall be unlimited and the Town may levy either ad valorem taxes or special assessments upon all taxable property of the Town or portion thereof for the payment of such bonds, notes, or other evidences of indebtedness and interest thereon, without limitation of amount. The faith and credit of the Town is hereby pledged for the payment of the principal of and the interest on all bonds, notes, or other evidences of indebtedness, hereafter issued under the authority of this Charter, whether of [or] not such pledge be stated in the bonds, notes, or other evidences of indebtedness, or in the ordinance or resolution authorizing their issuance. (Ch. Res. No. 1, August 21, 1963, sec. 61.)

Section 33–62. Previous issues.

All bonds, notes, or other evidences of indebtedness validly issued by the Town previous to October 10, 1963, and all ordinances or resolutions passed concerning them are hereby declared to be valid, legal, and binding and of full force and effect as if herein fully set forth. (Ch. Res. No. 1, August 21, 1963, sec. 62.)

All such written contracts shall be approved by the Council before becoming effective. The Mayor and Council shall have the right to reject all bids and readvertise. The Town at any time in its discretion may employ its own forces for the construction or reconstruction of public improvements without advertising for (or readvertising for) or receiving bids.

(d) *Surety bonds.* All written contracts may be protected by such bonds, penalties, and conditions as the Town may require.

(e) *Exceptions.* All contracts involving professional services such as accounting, architecture, auditing, engineering, law, planning, and surveying, shall not be on a bid basis, but shall be negotiated by the Council.

(f) *Cooperative Purchasing.* In the event the State of Maryland, Prince George's County, or any other local government of the State of Maryland, the Metropolitan Washington Council of Governments, or one (1) of its member governments, or the U.S. Communities Government Purchasing Alliance, or any association of Maryland local governments, provided that such local government or association has adopted procurement regulations that are comparable to those enacted by the town, has conducted a bid and awarded a contract authorizing local governments to purchase a bid item at the bid price, the Mayor and Council may, without soliciting bids, purchase the item in question at the bid price from the successful bidder, if the Mayor and Council determines [determine] that the bid price is competitive. The Mayor shall, at least seven days prior to purchasing a service or goods pursuant to this subsection, [and] receive affirmative approval of at least [at least] 4 councilpersons prior to making purchase. No single cooperative purchase shall exceed \$25,000 without a waiver by the Council of the bidding process required by this section for good cause shown.

(g) *Waivers.* The Mayor and Council by a two-thirds vote may waive the competitive bidding requirements of this section for good cause shown for sole source procurements of unique products and services. If the Council receives a petition signed by at least fifty-one per centum (51%) of the abutting property owners requesting an improvement to the public ways, curbs, gutters, or sidewalks, the cost of which is chargeable to the abutting property owners, the Council need not comply with the provisions of subsection (b) of Section 33–76 but must comply with the provisions of Section 33–79. For the purpose of such petitions only one person may sign for each parcel of property. For the purpose of this section “improvements” shall be construed to mean “construction,” or “reconstruction.”

The Town Clerk shall cause notice of the Council’s action to be given by sending a copy thereof by mail to the owner of record and by publication of a copy of the notice at least once in the “Forest Heights News,” the town

newsletter, or in a newspaper of general circulation in the Town. Such notice shall contain the action taken by the Council, and if the Council authorized the improvement, the notice shall contain the nature of the improvement, the limits of the area of the improvement, and the cost of the improvement presented in such a manner that a property owner concerned could determine his share of the cost of the project.

(4) If the Council authorized the proposed improvement, the property owners abutting the proposed improvement and chargeable with the costs thereof may initiate a petition to prevent the authorized improvement from being accomplished. For the purpose of this petition, only one person may sign for each parcel of property.

(5) If such a petition, signed by at least fifty-one per centum (51%) of the property owners concerned, is presented to the Council within thirty (30) days from the date of notice of the Council's authorization of the proposed improvement, the Council shall not accomplish the improvement for at least twelve (12) months. After this twelve (12) month period, the Council or the property owners may propose that the same improvement be authorized, provided that the provisions of this section are complied with. (Ch. Res. The cost of any project to be paid in whole or in part by special assessments may include the direct cost thereof, the cost of any land acquired for the project, the interest on bonds, notes, or other evidences of indebtedness issued in anticipation of the collection of special assessments, a reasonable charge for the services of the administrative staff of the Town, and any other item of cost which may reasonably be attributed to the project. (Ch. Res. No. 1, August 21, 1963, sec. 78.)

Section 33–79. Procedures.

The procedure for special assessments, whenever authorized in this Charter, shall be as follows: The procedures outlined in Section 33–76 shall be considered as part of the procedures outlined in this section.

(1) The cost of the project being charged for shall be assessed according to the front foot rule of apportionment or some other equitable basis determined by the Council.

(2) The amount assessed against any property for any project or improvement shall not exceed the value of the benefits accruing to the property therefrom, nor shall any special assessment be levied which shall cause the total amount of special assessments levied by the Town and outstanding against any property at any time, exclusive of delinquent installments, to exceed twenty-five per centum (25%) of the assessed value of the property after giving effect to the benefit accruing thereto from the project or improvement for which assessed.

(3) When desirable, the affected property may be divided into different classes to be charged different rates, but, except for this, any rate shall be uniform.

(4) All special assessment charges shall be levied by the Council by resolution. Before levying any special assessment charges, the Council shall hold a public hearing. The Town Clerk shall cause notice to be given stating the nature and extent of the proposed project, the kind of materials to be used, the estimated cost of the project, the portion of the cost to be assessed, the number of installments in which the assessment may be paid, the method to be used in apportioning the cost, and the limits of the proposed area of assessment. The notice shall also state the time and place at which all persons interested, or their agents or attorneys, may appear before the Council and be heard concerning the proposed project and special assessment. Such notice shall be given by sending a copy thereof by mail to the owner of record of each parcel of property proposed to be assessed and to the person in whose name the property is assessed for taxation and by publication of a copy of the notice at least once in the “Forest Heights News,” the town newsletter or in a newspaper of general circulation in the Town. The Town Clerk shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than thirty days after the Town Clerk shall have completed publication and service of notice as provided in this section.
